Lance Kress

Hello. My name is Lance Kress and I have been a Sergeant-at-Arms for the last 4 years . I am also an Honor Guard member and a SAL member.

I enjoy serving the post and I am willing to continue service as a Sergeant-at-Arms..

I joined the Naval Air Reserve at 18 years of age in 1963 and afterward obtaining a BS in Forest Pathology at Penn State.

I served on active duty in a VP squadron in Brunswick, ME, Bermuda, and Spain from 1968-1970.

After my naval service I obtained my MS and PhD in forest pathology and worked for the US Forest Service until my retirement in 2008.
