
Martha Avery, 2nd Vice Commander

2nd Vice Commander

Martha Avery

Hello legionnaires, My Name is Martha Avery and I served in the military for 13 years and joined the American Legion Post 6 in 2023.

Upon my joining the American Legion on my first meeting I was nominated to Second Vice Commander and I excepted.

I am eager to continue to serve a second year as your Second Vice Commander and ready to serve my legion for the greater good of all our members.

I am looking forward to making new changes for the growth of the Legion and to keep some things traditional.

As your second vice commander I have worked to improve our Social Wednesdays and added new socials on some the weekends.

I have worked with Alvonía, our event coordinator, to help in all our rental events as well.

As your Second Vice Commander, looking for volunteers/chaperons for all these events is what gets new members and old members together. It is important to bridge our generations as we go forward into the next millennium, and I believe I can be that person to help make that happen.
