

I would like to take a moment to introduce myself, my name is Michael R. Hatcher. I served in the Navy as an Electronics Technician for 14 years. After my time in the Navy, I transitioned to a position as a Navy contractor, starting work just two days later. I continued as a Navy contractor, forward deployed overseas, for another 14 years.

I have been a member of Chapel Hill Post 6 as a Paid-Up For Life (PUFL) member for over four years. During this time, I served as the Sergeant-at-Arms for three years and as the 3rd Vice Commander last year. My son Mikey and I frequently attend nearly every Post 6 event and often visit the Post on days without scheduled events.

With my extensive background in the Navy, experience as a Veteran, and my ongoing involvement in the Post, I am well-prepared to take on the role of 1st Vice Commander.

My vision includes attracting more and younger members and highlighting the diverse activities the Post offers beyond just the bar. I aim to engage with the community, organize outreach events, and create a welcoming environment for veterans and others at the Post, all of which will help draw in new members.

I am passionate and dedicated to making a positive impact, and my connections with fellow members reflect my commitment to fostering a strong community spirit.

I ask for your vote and support for the position of 1st Vice Commander at our next monthly meeting in May 2025.

Sincerely,

Michael Hatcher
