Curtain Call!

Nick Palmisciano

Post 6 member Nick Palmisciano of Diesel Jack Media has been featured in a wonderful feature article, "The Accidental Entrepreneur" by Henry Howard, in this month's *Legion Magazine*. It is an inspiring story of his transition from the corporate world to entrepreneurship. His mission to support and help veterans led to starting his media company Diesel Jack Media, named after his late Jack Russel terrier, Diesel.

He is well known at Post 6 and many of our members have participated in a variety of his film projects to promote the American Legion. So grab your copy of the Legion Magazine to read the article starting on page 26. You can also learn more about Nick and Diesel Jack Media at his website by clicking [here](#).

David McKenas

Another Post 6 member is making a name for himself in local regional theater. His most recent project is a run of *A Christmas Carroll*. For those of us who may like to attend one of his performances this season, he will be appearing with the Center Theater Company at 4221 Garrett Road in Durham from December 5th through December 21st. For the poster with dates, times and ticket information, click [here](#).

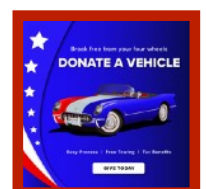

Kudos! On the success of the Post's 1st turkey drive. A total of 58 turkeys were donated and distributed to very appreciative families. Special thanks to organizers Dante and Joe and thanks to all Legion members and friends who donated and/or came out to assist.

Registration for Enduring Gratitude Is Underway

Enduring Gratitude is an outdoor sporting event to honor our military men and women. The event is free for veterans who register and you can register as an individual or register as a team. This is the 16th annual event, and it will be held February 26, 2026. Get information and/or register at enduringgratitude.org.

American Legion Car Donation Program

American Legion Post 6 is participating in a car donation program to encourage members of the Legion and members of the general public to donate used cars. Information about the donation program can be found on the Post 6 web page. Donations are easy. To fill out a donation form, just click on the button. →
