Why should you join the American Legion Post 6 Honor Guard?

We need you!

"To honor our fallen brothers by performing military honors at funerals. To present colors at varied events in the community—retirement homes, hospitals, parades, etc."—**Lance Kress**

*"Being with the group we have assembled is special. By the comments written you can feel the sense of unity and pride we all feel. It's the overall pride of being a veteran and conveying that to the public and the fact that we teach some about the meaning of the ceremonies is a big part of it. Helping families gain closure through our ties to the military is why doing funerals is important to me."—**Wally Washburn***

*"What I will add is "Pride" in being a part of this team."—**Lonny Kylander***

*"I joined the American Legion Post 6 Honor Guard for the purpose of providing an option for funeral and memorial services of a 21-gun salute. It gives me great pride to participate in the precision of doing that for the families of veterans that have been in service of our nation's military. We are getting closer to a full 21-gun salute and have as many as six rifles so far. I am looking forward to providing a full complement of seven rifles and a full 21 shots to give credit for our nation's veterans that have provided service so we can all live in freedom. We have received many accolades for our Honor and Color Guard services and it is my understanding that we have had several new members join our Post due to their observing our funeral and memorial services."—**Bob Swanson***

*"Very simply. To be a member of Post 6 Honor Guard is an honor in itself. Hearing the 21-gun salute and playing Taps for a deceased veteran. The "Final Send-off" for him/her and family is a feeling hard to put into words. The best I can say is, "It touches your heart."—**Ed Gill***

## Golden Boy American Legion Tribute Edition

.22 S/L/LR

The American Legion Tribute Edition rifle is a unique masterpiece, blending art and functionality on Henry's renowned Golden Boy platform. Its standout features include a striking nickel-plated receiver cover adorned with patriotic imagery and American Legion artwork. The right side showcases the United States of America flag and the "For God and Country" banner in 24kt gold plating, surrounded by intricate leafy vine scrollwork. The left side is equally impressive, with the American Legion emblem and the banner, "Voice of the Veteran Since 1919," receiving the same elegant treatment. The stocks, crafted from authentic American walnut, extol the virtues and mission of the American Legion on the

forearm with text reading, "Veteran Affairs & Rehabilitation | National Security | Americanism | Youth."

The American Legion Tribute Edition rifle is not just a work of art, but also a practical choice. It incorporates all the features that have made the Golden Boy one of the most popular .22 rifles on the market. These include a 20" blued steel octagon barrel, ensuring precision and durability, a silky smooth lever action for quick and easy shooting, and fully adjustable sights for enhanced accuracy. The tube magazine can hold up to 16 rounds of .22 Long Rifle or 21 rounds of .22 Short, providing ample ammunition for your shooting needs.

A total of 250 tickets will be sold to American Legion Family members only. You do not need to be present to win. The drawing will be held at Post 6 on the second Tuesday of the month after all tickets are sold. The winning and an alternate ticket will be drawn at 19:30. If after three good faith attempts to contact the winner (both by telephone and/or email) with no success, The Alternate winner will be awarded the Prize. The prize award decision made by the judges will be final. The Rifle transfer will be completed in compliance with all Federal and State Laws, Rules, and Regulations.
