American Legion Post 6 Shut-ins Program

On the last Thursday of each month, members from Post 6 visit veterans at local elder-care facilities. They truly embody the credo that no veteran will be forgotten. Their recent visit to several Brookdale facilities were well received and much appreciated. The group took some great pictures that they hope to share with members as they continue and expand this worthy cause. Members of the Legion family that would like more information can contact Tim Smith.

VOLUNTEER VISION

The Shut-ins Program on the left and the CPR Training above are just two of the many, many examples of volunteer outreach by members of the Chapel Hill American Legion family. Our diverse endeavors support our fellow veterans and our communities at large. March is the month when we are asked to list, tally and report our volunteer efforts to our AL leaders. Beyond generating good will, these numbers, when reported each year, can impact funding and legislative considerations.

Submit your volunteer hours in March.
