Team Rubicon Answers the Call

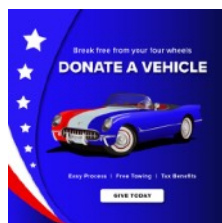

In July 2025, when our surrounding area experienced disastrous flash flooding, Team Rubicon came to help. For ten days, these brave volunteers helped area residents dig out and clean up. Using Post 6 as their command base for ten days, they saved property, made friends and lifted spirits. We were honored to host them and grateful to meet them. Read more about Team Rubicon and its excellent service by clicking the photograph below of their van parked in front of Post 6.

Post 6 Car Donation Program

American Legion Post 6 is participating in a car donation program to encourage members of the Legion and members of the general public to donate used cars. Information about the donation program can be found on the Post 6 web page.

Donations are easy. To fill out a donation form, just click on the button below.

Memorial Brick Paver Program Open for Orders

As part of our Post 6 home, we created a beautiful parade ground entrance where members can honor friends and family with engraved brick pavers. Bricks are 4" x 8" and cost \$100 each, or \$120 with a military service logo. To order, please see the details on our [Memorial Brick Pavers](#) page where you can complete a [Brick Order Form](#) for each paver to ensure accuracy. There's no limit—you may purchase as many as you'd like.

For questions or to submit forms, contact **Sgt-at-Arms Mike Hatcher** at itmanager@alpost6.org.

American Legion Auxiliary Unit 6 School Supply Drive

The Auxiliary is conducting a collection of school supplies for Grady Brown Elementary School in Orange County. North Carolina is second in the nation in which teachers must purchase school supplies out-of-pocket. Our donation of supplies for the 2024-25 school year was much welcomed and appreciated by the staff at Grady Brown Elementary and we hope to do as well or better this year.

You may have noticed a collection box at the main entrance to Post 6. It is decorated as a school bus. Please help us collect items that kids and teachers need by our August 12th meeting.

ALA Unit 6 Recently Served Dinner at the SECU Family House

The **SECU Family House** serves as a "home away from home" for adults battling cancer and other serious diseases that require them to be near the hospital during the course of their treatment.

When residents finally return to the Family House after a long, grueling day at the hospital, a warm meal accompanied by the warm wishes of local community groups can serve as a balm to the spirit.

On July 24, 2025 Auxiliary members prepared food and served the families a delicious chicken dinner with plenty of leftovers for those arriving late from the hospital.
