

I am Felton Page, a proud veteran who served six years as a U.S. Army Paratrooper. My experience includes strong leadership abilities; therefore, I am able to lead under demanding conditions while making safety a priority. As a team member of any organization, I strive to make that a much successful accomplishment.

Since transitioning to civilian life, I brought those same core values to Education while I was teaching for over 30 years. American Legion Post 6 will be focused on veteran advocacy, mentorship for younger veterans, and vigorous post programs that support community outreach, and welfare for all.

Lastly, as a candidate for 3rd Vice Commander, my daily dedication to service, integrity, teamwork and communication will help strengthen the relationships between Post 6 members and a society that supports us all. I will assist in driving the membership to higher numbers to become the best American Post in North Carolina.
