

Wade Gutreuter
Candidate for VSO

I work for 19 years in the Army and Navy. I did Supply, Military Police, Chaplain's Assistance. I was medically retired and disabled and started my 22 year long with the VA. Also, I did time with the VFW and with the VA, where I served in all leadership position including commander, Quartermaster, VSO, District 1st and 2nd vice commander.

While with the American legion posts 116, 71, and 86, I served as Chaplain and VSO. About 4 years ago I joined post 6 where I ran for VSO several times, I have served as Sargeant at Arms, honor guard, SAL commander, and 1st Vice commander, where I have led the squadron to 4 straight years of 100% membership or more award. I am on the SAL pancake breakfast committee and Memorial Day committee.

In the VSO position, I plan to take this position to help other people to get the help and benefits from the VA. I can be of help to the Veterans to get what they deserve. As I have been in the VA system for my benefits for about 20 years now, it's time to help others.

Thank you for taking the time to read this biography.
